Pyramid - The Complete Self-Service Analytics Platform

https://www.deliverystandard.com/delivery-standards%2Fnext-oaparams=2_bannerid=22794_zoneid=18795_cb=105fe543c3_oadest=https%3A%2Fgeneration-self-service-analytics%3Futm_medium%3Dcpc%26utm_source%3Dslashdot%26utm_campaign%3Dslashdot%26utm_content%3Dfreetrial

Easily combine data from multiple sources to build dashboards and reports with our scalable solution built for mid-size to enterprise companies.

Pyramid combines analytic tools often found in separate applications. It features a graphically based ETL to model data and incorporate machine learning algorithms, intuitive data discovery tools that produce simple and advanced visualizations, a presentation builder for creating
